

# Hurricane Ida Community Meeting

## I lived through a disaster. Now what?

TUESDAY, APRIL 18TH // 6:00 - 8:00 PM

THE MILFORD HOUSE

92 WATER ST

MILFORD, NJ 08848

One and a half years after Hurricane Ida, both renters and homeowners are still struggling with no true recovery in sight. Since the storm, we've connected with other survivors and now we are standing together to demand that Ida survivors get the recovery we deserve.

**Right now, there are grant programs to get folks home and whole on their way to our communities. Join us at our Community Meeting to learn about Hurricane Ida grant money, connect with case managers who can provide more info and support, and meet other Ida survivors.**

**RSVP by emailing [meghan@newjerseyop.org](mailto:meghan@newjerseyop.org) or texting/calling (609) 290-2425**

Can't make the meeting? Reach out anyway!

*Learn more!*

## WHO IS THE NJ ORGANIZING PROJECT?

We're storm survivors who fight for ourselves, our community, and other storm survivors in New Jersey - because we know firsthand that the disaster recovery process is broken. Each of us are regular people, but from Superstorm Sandy to Hurricane Ida, we've proven that regular people can make change happen when we stand together, and we've been winning real solutions for real people for over eight years. Learn more and join us at [www.newjerseyop.org](http://www.newjerseyop.org).
